FWB Park Brown and The University of Edinburgh Business School are pleased to announce a new NXD programme for NXD’s, by NXD’s.

As the responsibilities and accountabilities of NXDs increase - so the support, knowledge and experience required increase also. For example:

- **How do you manage** Boardroom Dynamics?
- **How do you influence** a Board where there is a dominant Chairman and robust CEO?
- **How do you manage** conflict round a Board?
- **What is the role** of a NXD in crisis or potential crisis situations?
- **How can you ask** the right questions, knowing how to test and constructively challenge what is being presented?

FWB Park Brown and The University of Edinburgh Business School have developed a practical programme to address these and many other issues for NXDs. This programme is aimed at less experienced NXDs or those seeking their first appointment, as well as those more experienced NXDs who feel they would benefit from learning more about the role.

Each session is very practically focused and will be led by a Chairman/NXD experienced in the subject matter. There will also be academic input from the University of Edinburgh Business School, provision of case studies, work group discussions, and significant opportunities for Q&A. Whilst each session has a main topic, the discussions and questioning will not be limited and are likely to be wide ranging. Each session is 6-8pm at the University of Edinburgh Business School, 29 Buccleuch Place, Edinburgh, EH8 9JS.

For a full programme and details of cost, please contact:

Professor John Amis
University of Edinburgh Business School
